

Chicago Heights School District 170 Transition Plan

Chicago Heights School District 170 in coordination with the Illinois State Board of Education has developed guidance to support students, families, and staff in transitioning back to in-school instruction. This tiered approach is applicable for the 2020-2021 school year.

This plan was created based on ISBE's guidance (Part 3-Starting the 2020-21 School Year released June 23, 2020). It is strongly aligned to the guidelines set forth by ISBE. This plan also prioritizes the health and safety of students and staff as we open school buildings to deliver instruction for the 2020-2021 school year. To a great degree, this plan focuses on the health and physical requirements necessary for reopening schools. As ISBE updates its recommendations, so too will School District 170.

As stated in the guidance document, in-person instruction may resume as regions transition to Phase 4. Districts must follow IDPH guidelines, which provide the following:

- Require use of appropriate personal protective equipment (PPE), including face coverings;
- Prohibit more than 50 individuals from gathering in one space;
- Require social distancing be observed, as much as possible;
- Require that schools conduct symptom screenings and temperature checks or require that individuals self-certify that they are free of symptoms before entering school buildings; and,
- Require an increase in school-wide cleaning and disinfection.

All public and nonpublic schools in Illinois serving prekindergarten through 12th grade students must follow these guidelines.

Further, ISBE recommends that districts provide “completely in-person instruction for all students in Phase 4, provided that the school is able to comply with capacity limits and implement social distancing measures” (p. 9). ISBE also recommends that districts provide for three different scenarios: Full in-person instruction, a hybrid approach where students may alternate attending schools on different days, and remote learning.

This plan was developed with collaboration from administrators, teachers, nurses, social workers, and union leadership members. The committee identified three areas of need: Academic, Health and Well-Being, and Operations and Facilities. Committee members for each area met weekly during July of 2020 to create a plan for each of the areas identified.

The Academic Team’s responsibility was to develop an instructional plan for three different scenarios: Remote Learning, Hybrid Learning, and Traditional Learning. The plan includes student and staff schedules as well.

The Health and Well Being Team was responsible for creating plans for keeping students and staff safe and attending to the social and emotional needs of students and staff.

The Operations and Facilities Team was responsible for transportation plans, meal plans, human resource issues, and keeping students and staff safe.

The School District 170 Transition Plan is a culmination of the above teams’ work.

The District wishes to thank ISBE for its commitment to keeping students and staff safe. The Illinois State Board of Education will provide two cloth face coverings for each student and staff member. It is recommended that the students wash the used face covering daily. Disposable face coverings will be available in the event a student forgets his/her cloth covering at home. Students and staff with medical issues regarding face coverings should submit a doctor’s note indicating that wearing a face covering can pose a health risk.

Hand Sanitizers will be provided for every classroom, office areas, and eating areas. Hand washing will be encouraged multiple times each day especially prior to breakfast or lunch.

The team identified three “lanes” of operation:

- Enhanced Remote Learning—Substantial cases of Covid19 are reported at a school which requires the school to close temporarily, or efforts in keeping students/staff safe require the implementation of Enhanced Remote Learning.
- Hybrid Approach—A minimal number of cases of Covid19 are reported at a school which requires the school to open on a reduced basis. Students attend school on alternate days to allow for social distancing.
- Traditional Face to Face Instruction—No cases of Covid19 are reported at a school. Schools will be allowed to open as usual. This typically would not occur until the state is in Phase 5 of the Governor’s Restore Illinois Plan.

Enhanced Remote Learning	Hybrid Approach	Traditional Face to Face Instruction
<p>Substantial cases of Covid19 are reported in the community or at a school, or efforts in keeping students/staff safe require the implementation of this approach.</p>	<p>A minimal number of cases of Covid19 are reported in the community or at a school.</p>	<p>No cases of Covid19 are reported in the community or at a school. This would occur once we are in Phase 5 of the Restore Illinois Plan.</p>
<ul style="list-style-type: none"> ● School is closed for deep cleaning. ● School may be closed for 14 days or longer. ● Coordinate with IDPH officials. ● Participate in contact tracing efforts as directed by local health officials. ● Close off affected areas and if possible wait 24 hours before cleaning and disinfecting. 	<ul style="list-style-type: none"> ● Implement enhanced social distancing measures. <ul style="list-style-type: none"> -face coverings worn by all students and staff. -maintain six feet between desks, students, and staff ● Staggered use of school buildings. ● Implement alternating schedules for students. ● Lessons for students are either live-streamed or recorded. ● Establish and maintain communication with local health officials and IDPH. ● Participate in contact tracing efforts as directed by local health officials. ● Isolate and deep clean impacted areas and spaces. 	<ul style="list-style-type: none"> ● School building is open for traditional instruction. ● Implement preventative practices and additional proactive protocols.

	Enhanced Remote Learning	Hybrid Approach	Traditional Face to Face
<p>Practicing Prevention</p>	<p>While at home, students and families should practice prevention techniques to slow the spread of the virus.</p> <p>CDC Guidance:</p> <ul style="list-style-type: none"> • How to Protect Yourself and Others • COVID-19 Symptoms <ul style="list-style-type: none"> • Covid19 Self Checker • Communication Resources <p>Illinois Department of Public Health Website</p> <p>Nurse’s Corner on the SD170 website lists many resources available for parents.</p> <p>CCDPH Restore Illinois School Health Webinar</p> <p>The schools will continue efforts in deep cleaning and sanitizing.</p> <p>-Provide hand soap and hand sanitizer with at least 60% alcohol in</p>	<p>-Teach and reinforce good hygiene measures such as hand-washing, covering coughs, and the use of face coverings.</p> <p>-Provide hand soap and hand sanitizer with at least 60% alcohol in bathrooms, classrooms, and frequently trafficked areas.</p> <p>-Post signage in classrooms, hallways, and entrances to communicate how to stop the spread, Covid19 symptoms, preventative measures (including staying home when sick), and good hygiene.</p> <p>-Clean/disinfect frequently touched surfaces at least daily and shared objects after each use.</p> <p>-Provide masks and other appropriate PPE to staff and students. (All staff and students are required to wear face coverings. A doctor’s note is required for students and staff who are not able to wear a face covering.)</p> <p>-ISBE will provide a cloth face mask for each student. Cloth face masks should be cleaned after each day’s use.</p>	<p>-Teach and reinforce good hygiene measures such as hand-washing, covering coughs, and the use of face coverings.</p> <p>-Provide hand soap and hand sanitizer with at least 60% alcohol in bathrooms, classrooms, and frequently trafficked areas.</p> <p>-Clean/disinfect frequently touched surfaces at least daily and shared objects after each use.</p> <p>-Conduct deep cleaning of schools daily.</p>

	<p>bathrooms, classrooms, and frequently trafficked areas.</p> <ul style="list-style-type: none"> -Post signage in classrooms, hallways, and entrances to communicate how to stop the spread, Covid19 symptoms, preventative measures (including staying home when sick), and good hygiene. -Clean/disinfect frequently touched surfaces at least daily and shared objects after each use. -Provide masks and other appropriate PPE to staff and students. (All staff and students are required to wear face coverings. A doctor's note is required for students and staff who are not able to wear a face covering.) -Ensure ventilation systems operate properly and increase circulation of outdoor air as much as possible. -Conduct deep cleaning of schools prior to students/staff returning in September. -Windows must remain open for increased ventilation as much as possible. 	<ul style="list-style-type: none"> -Face shields are not recommended but may be considered as a reasonable accommodation for a student or staff member with a medical condition. Physician documentation is required. -Students are allowed to bring water bottles from home. -Ensure ventilation systems operate properly and increase circulation of outdoor air as much as possible. -Conduct deep cleaning of schools prior to students/staff returning in September. -Each staff member will be required to complete safety training related to physical distancing, face coverings, and hand hygiene procedures. Each building will provide training to staff that is specific to their unique circumstances. -Marked travel paths in hallways, staff lounges, office areas, & classrooms. Common areas must be clearly marked indicating to students where to sit, stand, or line-up. -Isolation rooms will be designated at each building for students who are presenting symptoms. -Music, Art, P.E., Library classes will be conducted via Zoom lessons. Group A 	
--	--	--	--

	<p>-Bathroom cleaning schedules will be posted in each bathroom indicating when the last cleaning occurred.</p> <p>Staff Procedures:</p> <p>-As you approach the identified entrance, please pay attention to where people are as you approach the door. Please remember to maintain social distance and stand at least 6 feet apart.</p> <p>-Temperature will be taken.</p> <p>-If your temperature is over 100.4, you should notify administration/supervisor, return home and monitor your temperature. If you exhibit additional symptoms, consider seeking medical advice. If you do not exhibit additional symptoms and your temperature returns to a level below 100.4 the following day without a fever reducing medicine, you may report back to work.</p> <p>-Wear face coverings at all times when working with others. (You may take your face covering off if working alone.)</p> <p>-Wash your hands frequently or disinfect with hand sanitizer.</p> <p>-Social Distance from others (6 feet between people as much as possible)</p>	<p>students will receive lessons on Tuesdays and Fridays; Group B students will receive lessons on Mondays and Wednesdays.</p> <p>-Restroom and handwashing breaks must be scheduled and coordinated throughout the day.</p> <p>-K-5 student lockers will not be utilized. Each student will be provided a clear plastic bag in which to store his/her belongings. All bags will be kept at the students' desks. Middle school students will utilize lockers with space between each student.</p> <p>-Recess must be scheduled and coordinated to minimize mixing of students. Playground equipment must not be used.</p> <p>-Windows must remain open for increased ventilation as much as possible.</p> <p>-Student supplies must not be shared by students/staff.</p> <p>-Bathroom cleaning schedules will be posted in each bathroom indicating when the last cleaning occurred.</p> <p>-Hand sanitizing stations will be provided in each classroom.</p>	
--	--	---	--

	- There can be no gatherings of 50 or more people in any given space	-If a classroom or school needs to be closed due to rising cases, parents will be notified via SD170 website (www.sd170.com), email, letter, and robo call. The classroom or school will be closed the following day of reported Covid19 cases.	
Transporting Students	Transportation will not be available during Enhanced Remote Learning.	<p>-Parents must complete the emergency information section and contacts on the registration form before permitted to ride the bus.</p> <p>-Bus drivers and bus aides must be symptom checked at the beginning of EACH day.</p> <p>-Bus aides will be available on each bus to monitor student symptoms and temperatures.</p> <p>-All students must wear a mask to ride the bus.</p> <p>-Each bus will have a designated seating area for students presenting symptoms. Once at school, the student will report to the isolation room, and the parent will be called to pick up the child.</p>	Normal transportation procedures will be in place.
Entering School Buildings	-In the event parents must come to the school for any reason, parents and all other visitors will be symptom and temperature	-All students, staff, and visitors will be symptom and temperature screened prior to entering the building.	Normal arrival procedures will be in place.

	<p>screened prior to entering the building.</p>	<p>-Each school will designate multiple entrance points for grade spans of students to enter.</p> <p>-Staff members will be assigned to perform symptom and temperature screenings at the various entrance points.</p>	
<p>Serving Meals</p>	<p>Breakfast and lunch will be provided for pick up at all neighborhood schools. Meals will be provided for the school week. Meals will</p>	<p>Kindergarten-5th Grade Buildings Breakfast</p> <p>-Breakfast will be served in the schools' gymnasium from 7:30-7:50.</p> <p>Middle School</p> <p>-Breakfast will be served in the school's cafetorium from 7:00-7:30.</p> <p>Kindergarten-5th Grade Buildings Lunch</p> <p>-Schools will schedule groups of students for lunch in the gymnasium mid-day.</p> <p>Middle School</p> <p>-CHMS students will be scheduled for lunch in the Cafetorium mid-day.</p>

		<p>be provided for the school week. Notices will be sent to parents regarding schedules for meal distribution</p>	
<p>Supporting Teaching and Learning</p>	<p>Implement a robust Enhanced Remote Learning Plan.</p> <p>- Students whose families choose remote learning as opposed to in-person learning or when Remote only instruction is instituted, all classes will be instructed by a certified teacher remotely. Each grade level will have one certified teacher who will provide instruction in ELA, Math, Science, and Social Studies via pre-recorded lessons on Zoom or Google Hangout.</p> <p>-Enhanced Remote Learning lesson plans will be provided for all grade levels which will allow for continuity across the district while also keeping pace with our grade level and subject scope and sequences. Teachers will utilize the recorded mini lessons in ELA, Math, Science, Social Studies and will also provide support on the recorded lesson.</p>	<p>-Students who are instructed in school will be placed in classes with teachers. Social distancing measures will be enacted.</p> <p>-Self-Contained special education students will attend face to face on Mondays, Tuesdays, Thursdays, and Fridays.</p> <p>-Students will be grouped into A and B schedules. Group A consists of students whose last name begins with A-L. Group B consists of students whose last name begins with M-Z.</p> <p>-Students will attend school on alternate days. Group A will attend on Mondays and Thursdays while Group B is instructed remotely. Group B will attend school on Tuesdays and Fridays while Group A is instructed remotely. All students will be instructed remotely on Wednesdays while custodial staff sanitizes the school. School will be sanitized each evening; the Wednesday cleaning allows for a 24 hour period with no one in the building.</p>	<p>-Implement standard operating procedures while taking preventative measures such as</p> <ul style="list-style-type: none"> *providing hand sanitizer for students and staff. *Cleaning of classrooms and high touch surfaces daily. *Limiting physical interaction through partner or group work. <p>-Seating charts will be required.</p>

	<p>-Teachers will focus on the standards for their grade level and content areas using the SD 170 curriculum resources.</p> <p>-Each school will deploy a chromebook for all students to use during Enhanced Remote Learning. Chromebook and material pick-up is scheduled for Sept. 3-4, 2020. Information and schedules will be provided by the building principals.</p> <p>-Families in need of Internet Hot Spot devices should indicate so on the registration form.</p> <p>Student Attendance</p> <p>-Student Attendance will be recorded daily in Teacher Ease. Teachers and staff will contact parents/guardians of students who are absent.</p> <p>-Attendance recorded as: *Full day=attending three Zoom lessons per day. *Half Day- attending two Zoom lessons per day. *Absent=attending one to zero Zoom lessons per day.</p> <p>Grading</p> <p>-Students will earn grades for assignments/practice and assessments.</p>	<p>-Limit physical interaction through partner or group work.</p> <p>-Establish distance between the teacher’s desk/board and students’ desks.</p> <p>-Seating charts will be required.</p> <p>-In the event, a school or classroom is shut down due to illness, all teachers in that classroom or school will revert to Enhanced Remote Learning.</p> <p>Student Attendance</p> <p>-Student Attendance will be recorded daily in Teacher Ease. Teachers and staff will contact parents/guardians of students who are absent. Students who are working remotely on “Off Days” will receive attendance credit as follows:</p> <p>-Attendance recorded as: *Full day=attending two Zoom lessons per day. *Half Day- attending one Zoom lessons per day.</p> <p>Grading</p> <p>-Students will earn grades for assignments/practice and assessments.</p> <p>-The Grading Policy of SD 170 will be followed. Assessment and</p>
